

Christmapus: The Christmas Octopus

Chris the octopus was content as could be under the sea. He knew nothing of Christmas or holiday cheer. That was until one day, Santa Claus lost his famous hat and it found a new home on Chris head! Paul Mattingly and F. Andrew Taylor tell the illustrated story of what happened to Chris in this rhyming tale that puts a twisted spin on traditional holiday childrens books (which means adults will get as much, if not more, of a kick from it).
