

The Abu Wahab Caper: The Chance Purdue Series - Book Four

What happens when Chicago detective Chance Purdue is hired to protect a gambler with a target on his head? For starters, all hell breaks loose... Bet-a-Bunch Dugan is being hunted by International DADA (Destroy America, Destroy America) conspirators, a terrorist organization out for control of the worlds oil market. Dugan needs more than a little luck to walk away unscathed. He needs a Chance, and though he knows that half of Purdues reputation is that of a guy you are aching to punch, the other half is that hes a dogged, if occasionally doomed, investigator. No matter where Purdues leads take him, though, he always seems to be one step behind DADA. As a hapless Chance watches DADAs deadly scheme move forward, a siren named Brandy Alexander enters the picture and things finally fall into place, or so Chance hopes...
