

Over By Christmas

It is 1914. As war engulfs the British Empire, Royal Navy gunner, George Royal awaits his next ship in his home port where his best friend has fallen in love with beautiful Carrie, a woman with secrets. When she is attracted to George, she brings the two men into conflict. Britains leadership is being severely tested - so the parallel story of a besotted Prime Minister reflects the realities of Georges war. Full of Historical Naval detail with a strong WW1 story line of changing social moralities.
