[LIBRARY EDITION Audiobook CD format in sturdy Vinyl Case with cloth sleeves that keep compact discs protected.] [Read by Stefan Rudnicki, Gabrielle de Cuir, Vikas Adam] A love affair is experienced in the blink of an eye as the Archduke Ferdinand watches his wife succumb to an assassins bullet. An exiled writer, working in a sandwich shop in Chicago, adjusts to the absurdities of his life. Love letters from war torn Sarajevo navigate the art of getting from point A to point B without being shot. With a sure-footed sense of detail and life-saving humor, Aleksandar Hemon examines the overwhelming events of history and the effect they have on individual lives. This heartrending collection of stories bears the unmistakable mark of an important international writer.
