

## Down by the Riverside: A Shady Grove Book (Shady Grove Mysteries)

When her husband leaves her for a younger woman, Rose Franklin buys a camper and sets off away from her heartache and anger. She finds herself spending a couple of days in Shady Grove, a camp site along the Mississippi River in West Memphis, Arkansas. While there, a respected and well-liked man in the community seems to commit suicide for no apparent reason. Could it somehow be connected to the ancient slave burial ground that he was researching? As Rose comes to know the characters of this small community she begins to unravel the mystery of why a man loses his faith and the consequences of his loss.
