Femdom erotica (with bonus books.)
Have you ever dated a Black woman, Sugar? Checked out our gear? Come on, then. White dudes like the dark nips and labia. Like chocolate covered cherries. But watch our, Sweetlips. I date only young White guys. I am so bad. I tease men, humiliate them, tell them they are not real men. They get it back. They treat me like a street hooker, make me do kinky things in bed, like I was still a slave for the Man. Silly game!
