

Day of the Dead: Book One - Gaza (Clean Version)

In Day of the Dead, Gordon has written a frighteningly realistic thriller, a page-turner which paints a compelling portrait of Mid-East combat and espionage, in the age of ISIS and Hamas. Steven Pressfield, Best-Selling author of Gates of Fire and The Lions Gate Dan Gordon has crafted a tale about the vicious world of radical Islamists, criminal gangs, and their victims. His incredible 40 years of service in the Israel Defense Force, knowledge of the US and the Middle East, and ability to spell-bind enables readers to feel the pulse of terror and see into the dark minds of evil incarnate. Day of the Dead: Book One - Gaza is a gripping story as real as today's and tomorrow's shocking headlines. General Robert Magnus, USMC (Ret) 30th Asst Commandant of the USMC Dan Gordon is the author of fifteen Hollywood features, including The Hurricane, (Denzel Washington) Wyatt Earp, (Kevin Costner), Murder in the First, (Kevin Bacon), The Assignment, (Sir Ben Kingsley) and Passenger 57 (Wesley Snipes). Gordon has also amassed hundreds of hours of television programming as a writer, director and/or executive producer, including head writer of Michael Landons long running series, Highway to Heaven. Gordons plays have been produced on Broadway and Londons West End. Day of the Dead: Book One - Gaza is Dans seventh published novel and is a terrifying look into the warring world of today. It is soon to be a major motion picture from the studio that produced Act of Valor. With Day of the Dead Gordon has, in essence, created a new genre.... not Sci- fi, but Terror-fi.
