

Guilty Until Proven Innocent: Raye Palace; the girl who killed her mother

At twelve years old Raye Palace had the life. A wonderful family, a huge house, everything. However, when put in a...compromising position by the request of her mother, Raye is suddenly accused of murder. She is found not guilty and the case goes cold. She is shunned by society. For the next four years, Raye puts up with the constant mistreatment, until she makes a friend, and one day makes the decision to solve the murder on her own. Will she solve the mystery and clear her name? Or will she just make things worse?
