

Hamlet: Revised Edition (The Arden Shakespeare Third Series)

This Arden edition of Hamlet, arguably Shakespeares greatest tragedy, presents an authoritative, modernized text based on the Second Quarto text with a new introductory essay covering key productions and criticism in the decade since its first publication. A timely up-date in the 400th anniversary year of Shakespeares death which will ensure the Arden edition continues to offer students a comprehensive and current critical account of the play, alongside the most reliable and fully-annotated text available.
