

# Travel Many Roads

Bordering on the dark forces that threaten to engulf the human mind in its miasmatic stranglehold, a life struggles to find a foothold between reality and delusions. Vardis Conway, a libertine extraordinaire with no scruples whatsoever when it comes to women, a man who is trying to curb his darker desires and failing miserably in the process, is a man tormented beyond his forbearance. Plagued by uncontrollable desire for one of his students, he attempts to slake his thirst in a multitude of encounters, only to remain ever parched. His obsession takes him into the bylanes of insanity, with unexpected results.
