

Keep It Professional - Youth Training Workbook

Eleth Smith is owner of Eleth Beauty Palace and has more than 25 years of experience as a beauty consultant, image enhancement technician and entrepreneur.

Eleth received her cosmetology license from the Washington D.C. Beauty Academy and has received specialized certifications from Dudleys Beauty School and Vidal Sassoon. Eleth's philosophy for success involves developing a servant's heart. She wholeheartedly believes that long-term success in cosmetology is 20 percent styling and 80 percent service. Though she is a gifted stylist, Eleth attributes much of her ability to attract and maintain clientele to serving customers to the point of delight. In fact, word of mouth has been Eleth's sole form of marketing. Eleth has been in Florida for more than 20 years and approximately 80 percent of her current clients have been with her for at least 10 years. Additionally, Eleth has personally mentored more than 24 young ladies in an internship program, helping them to develop leadership qualities and a servant's heart so that they thrive in the cosmetology industry. Using the principles that have guided her success as an entrepreneur, stylist and mentor, Eleth authored a book on professionalism titled *Keep It Professional: A Customer Service Handbook*. Eleth is committed to the goal of providing a world-class experience to others in both her professional and personal life.
