

Le Divorce

Set in Paris, LE DIVORCE is an alluring and elegant comedy of love and divorce French-style. Isabel Walker, a young, not-so-innocent, American abroad, arrives in Paris to find that her sister's French husband (the frog prince) has just walked out. While Isabel embarks on her own sentimental education - seduced by gourmet food, antiques, existentialism and an older man - her sister's marriage disintegrates into bitter Franco-American wrangles over money, titles and a mysterious painting. With a sharp tongue and an ironic eye for the foibles of the Parisian bourgeoisie, the French art world and American ex-patriots, Isabel is a collector of experience, even those she can't control. Comedy veers suddenly close to tragedy as passionate jealousy, self-interest and artistic intrigue interweave.
