

Roms, Bombs & Zoms (A Three Little Words Anthology) (Volume 2)

When hearts rot, fuses ignite. Super geek gets the girl, a righteous preacher and his undead wife, fantastical zombies, the tantric art of zubbing, mindless hive workers, and traditional flesh eating walkers, this anthology has a bit of everything. Our twisted tales pull you into the darkest of darks, where hope is lost, and sustaining life is no simple feat. Twenty-one authors congealed romance, bombs, and zombies into stories that are diverse, witty, and occasionally gut-wrenching. Travel through time to walk in alternate histories, visit magical realms, and face down pestilence that will literally rot your insides. This collection is sure to warm your cold, dead, heart. Stories by Ken MacGregor, Patrick D'Orazio, Randy Henderson, and Kriscinda Lee Everitt, among others. ROMS, BOMBS & ZOMBS is a uniquely themed anthology featuring a brilliant mix of action, brutality, and bloody mayhem. Any fan of the genre would do well to add this one to their collection. Timothy W. Long - author of AMONG THE LIVING series.
