

## My First Spanking: An anthology of short stories

In this erotic collection edited by Cassandra Park, twelve authors write about their first spanking the way it happened or the way they dreamed it had. My First Spanking recalls younger, slightly more innocent days, days when we knew what we wanted, or had an idea, but were afraid to say the word. Days of meeting potential partners in quiet corners of restaurants, keeping our voices low. Days spent longing to find the person who knew how to take charge, and the nervous excitement when we knew it was about to happen at last. Or days of simply plotting how to reveal to existing partners what we were fantasizing about. The characters in this collection are not all lovers, and the spankings are not always delivered with kindness. But there's always compassion, love, or at the very least lust between spanker and spankee. And in every case, they know that their first spanking is definitely not going to be their last. Stories by Naomi Bellina, Jacqueline Broucker, J. Caladine, Clarice Clique, Courtney, Brad Dare, Serenity Everton, Cassandra Park, Angel Propps, Erica Scott, T.R. Verten, and Dolly Wylde.
