

Under My Heel Omnibus: He Was So Eager to Please

Femdom erotica (With bonus books and stories.) It was his first time. He was so shy, and sweet, and eager to please. I was older than his Mama, and that excited me. We played games. I pretended to be asleep, and let him explore. How sweet was that! I took showers and undressed and pretended he was a spy. Well, he was curious. He was such a darling!
