

# Put It In First

Gracie Peytons list of problems keeps growing, but she should have seen it coming. After all, shes been seeing it coming for years. Suddenly tasked with running her fathers car dealership, it isnt long before she crosses paths with hapless Officer Mueller, an ambitious police constable trying unsuccessfully to get promoted. When a string of arsons threatens the city, her psychic vision problem kicks into high gear and shes got her hands full. As the fires get a little too close for comfort and Officer Mueller turns up the heat, can she manage it all without getting burned?
