

## The Brave Captains: Vol 2 (The Phillip Hazard Novels)

As the Russian cavalry prepares to launch a full-scale attack to seize Balaclava, the British find themselves in desperate straits. Dangerously outnumbered, they are hoping for reinforcements, but in the meantime they must hold their ground, calling for heroism that will test the courage of even the bravest man. Dodging bursting shells and Russian Cossacks, Hazard proves that the bluejackets fight as well on land as they do at sea.
