

The Season of the Long Shadow: The End of Separation

The Season of the Long Shadow, the second book in the Messenger Series of Redpath novels, refers to an ancient Native American prophecy that is already passing over this land and warns of events which will affect everyone. It speaks of strange times ahead and the ultimate decision we will be asked to make. Which path will we follow? What will we need to choose our path wisely? This book provides in-depth information on lessons to end Separation, steps to heal our spirit from within, and the Seven Warnings leading to the Season of the Long Shadow.
