

# The Shrewd Student: How to Study Smarter and Get Great Grades in College

Inexperienced college students waste hours re-reading the same material, chasing the wrong research, and hopelessly trying to cram information into their heads the night before an exam. But shrewd students know how to get organized and use their time efficiently, getting great grades without the waste. In *The Shrewd Student*, professional educators share their secrets to being a shrewd, effective, and successful student.
