News spreads faster than a text message, and Melly is the toast of the town. But it isnt long before Mellys status changes to public enemy number one when Chips body is found at the foot of her basement stairs. Questions start to pile up when handsome police chief Wyatt McBride arrives on the scene and the coroner sets the time of death for the previous evening. McBride wants to know why it took Melly so long to report the incident?especially after she admits to arguing with Chip about the contract he wanted her to sign. Piper knows Melly would never hurt a fly, so she enlists the help of her BFF Reba Mae to clear her name?but can they find the real killer before Melly gets sent away for good?
