

Guile and Spin

An outrageous, compelling, unforgettable story of cricket played to a farcical level you had previously never thought possible. A must-read for cricket fans everywhere. Jeremy Freeman hates cricket, but is enticed by woman cricketer Claire who turns his life upside-down. Fardeep Singh shows him how he can use spiritual powers and mystical charms to achieve his secret dreams. Oriental magic meets sport psychology in an explosive mix. But that is only the start of their problems. Anything can happen - and does. ...decent, warm-hearted page-turner....many of the characters will be familiar to anyone who plays cricket.... Patrick Kidd, The Times. ...something a little different.... Andy Bull, The Guardian.
